Ever wanted to eat at a restaurant every night? Well now you can, and even in your own home! That's right, at Chesapeake Traders you can shop like the restaurants do! Enjoy large quantities for small prices! Choose from a wide range of meats (hamburgers, hotdogs, fish, steaks), vegetables (green beans, carrots, peas), breads (rolls, French, Panini), soups, dry goods and already prepared dishes. While you are shopping and stocking up your freezer for the winter, know that you are also helping out a good cause...LASOS! (Linking All So Others Succeed) 10% of sales will be donated back to LASOS.
