

Need Help Getting Ahead?

Join a class that helps you **unpack** the barriers in your life and help set life goals that support your personal and professional **growth**.

Everyone has rough patches in their lives and with the right assistance people have found **success**. The Getting Ahead Program is designed to promote **self-sufficiency** by hosting sessions designed to enable people to investigate the issues in their lives and determine how it affects their personal resources and what **goals** and actions are needed to improve them.

Classes begin at the LASOS, office located at 33 W Courtland St Bel Air MD and will meet every Saturday from 8:30-11:00am and will run from *Saturday September 14, 2019-Saturday December 28, 2019*.

Benefits:

- Assess and build your current resources
- Learn new problem solving skills
- Gain knowledge about hidden rules of society
- Receive a \$400 stipend upon completion of the program
